EMPLOYMENT OPPORTUNITY

FULL TIME PUBLIC HEALTH NURSE

LLRIB - Stanley Mission Health Services Inc. Stanley Mission is a Cree community located on the shores of the beautiful Churchill River, 81 km north of La Ronge. There are approximately 2,000 community members with kindergarten to grade 12 educational facilities. Successful applicants will report to the Health Director. Assets, qualifications/requirements required are as follows:

ASSETS:

- Experience in Public Health Nursing, preferably 3-5 years;
- Extensive knowledge in Public Health-immunization, screening, infection prevention, health promotion and teaching;
- Accomplished participation in Aboriginal communities and an ability to speak Cree is a definite asset;
- Ability to adapt to a rapidly changing environment;
- Ability to stay up-to-date on changing trends in the Public Health sector;
- An energetic, positive, and cooperative attitude is vital.

QUALIFICATIONS/REQUIREMENTS:

- Bachelor's Degree or Diploma in nursing with relevant experience;
- Registration and in good standing with the College of Registered Nurses of Saskatchewan (CRNS);
- Current First-Aid/CPR-C;
- Current innoculist certificate;
- Ability to work collaboratively within a health team environment and independently as required;
- A highly motivated, self-directed individual with effective interpersonal communication and organizational skills.
- Must provide written reports to Health Committee on a monthly basis and as required;
- The successful candidate must undergo a Criminal Record and Vulnerable Sector Check upon hire.
- Other duties as assigned

We offer a competitive salary, sign-on bonus, housing and a full range of employee benefits. For more information contact the Health Director at (306) 635-2090

Deadline: Until a suitable candidate is found

Please send cover letter and resume with relevant references to:
